

Ashley M. Morton M.A., RPA

CURRICULUM VITAE

Education

2013 M.A.,
Anthropology,
University of Idaho

2005 B.A.,
Anthropology,
History minor,
University of Arizona

Years of Experience

14

Professional Societies

Registered
Professional
Archaeologist
(#990232)

Archaeological
Institute of America
(Treasurer, Walla
Walla Chapter)

Technical Skills

Hand-held GPS, Hand
mapping,
Photographing,
Microsoft Office,
Microsoft Access,
Archival research,
Historical artifact
processing,
cataloging, analysis,
and technical writing

Qualifications

Employed on a
variety of prehistoric
and historical period
projects in the
American Southwest,
Nevada, Washington,
and California from a
field and laboratory
technician and
historical materials
analyst to Field
Director and PI.

Has handled project
materials from
proposal through the
field, analyses, report
writing, and curation
process.

Well versed in field
methodology,
laboratory and
analytical procedures,
analytical writing,
database compliance,
Section 106 and WA
SEPA and GEO 05-05.

Areas of Interest and Expertise

Late 19th and early
20th-century rural
and urban material
culture and society;
gender and identity;
personal hygiene

Registered Professional Archaeologist (RPA) with 10+ years of experience specializing in cultural resources management working in the Pacific Northwest, Intermountain West, and Southwest. Has lead projects in support of NHPA Section 106, been a Washington State DAHP permit holder, is an Oregon Qualified Archaeologist, and demonstrated successful coordination with clients, completion of fieldwork, and reporting.

PROFESSIONAL EXPERIENCE

Archaeologist, June 2019-Present, Confederated Tribes of the Umatilla Indian Reservation, Pendleton, Oregon

- Lead/assist in conducting/overseeing cultural resource field work-monitoring, pedestrian survey, testing, excavation.
- Conduct file/literature searches with DAHP WISAARD and Oregon SHPO Archaeological Library, CTUIR Archives, and various universities and museums.
- Report author
- Participate in meetings with tribal and city governments, state/federal agencies, private companies, working groups, and contractors.
- Assist reviewing and commenting on NHPA Section 106 consultation and compliance work.
- Assist in negotiating potential work for archaeological and traditional use investigation studies.

Independent Contractor-Archaeologist/Archaeological Monitor, December 2018-January 2019, Conway Construction, Vancouver, Washington

- Monitored project activities, documented activities and cultural resources
- Coordinate with client and federal agency
- Report author

Archaeologist, September 2018- October 2018, Tierra Right of Way Services Ltd, Seattle, Washington

- Monitored construction digging, documented excavation and artifacts
- Coordinate with client and supervisor
- Report author

Independent Contractor-Archaeologist, June 2018- July 2018, Cottonwood Archaeology LLC., Moab, Utah

- Edit and contribute to Utah State Archaeological Site Forms
- Performed Phase I pedestrian survey; mapping, photographing, and site documentation

Archaeology Program Manager and Principal Investigator, September 2013-February 2018, Fort Walla Walla Museum, Walla Walla, Washington

- Oversee Heritage Research Services, the museum's compliance archaeology division
- Business development such as prepare proposals including project cost estimates/budgets and schedules, and statement of qualification submittals, project design, coordination, management, work/communicate directly with clients

- Led/oversaw projects and supervised/directed crew and sub-consultants
- Report preparation, artifact analysis, and interpretation, NRHP recommendations, management recommendations, completion of Washington DAHP site documentation forms
- Public outreach for the museum including organize and hold an annual archaeology kids camp and give talks to local schools/institutions and at museum events

Field Director, August 2012, Northwest Anthropology LLC., Richland, Washington

- Co-author to cultural resource management reports for local agencies
- Supervise crew on Phase I surveys
- Completion of Washington DAHP site documentation forms
- Federal Communication Commission (FCC) and NHPA Section 106 assessment
- Coordinate with principal investigator and crew on logistics and Tribal agencies

Historical Materials Analyst, September 2011-October 2011, University of Idaho, Moscow, Idaho

- Catalog, data entry, and analysis of over 1900 artifacts for early 20th century mill ore site in Northern Idaho
- Report contributor

Assistant Historical Material Analyst/Assistant Crew Chief, March 2008-July 2011, Statistical Research, Inc., Tucson, Arizona

- Co-author, and contributor to cultural resource management reports for a variety of local, state, and federal agencies and private companies
- Supervisor and quality-control of historical-period material analysis
- Synthesis and analysis of historical material culture for numerous projects across the American Southwest, Nevada, California, and Washington
- Coordinate with project directors, lab director, principal investigators, and database staff on analysis logistics

Field and Laboratory Technician, September 2007-July 2011, Statistical Research, Inc., Tucson, Arizona

- Excavation, survey, hand mapping, completion of field forms, and monitoring on a variety of prehistoric and historical-period sites including historic mine sites, an historic cemetery, neighborhood, homestead, and dump sites
- Laboratory processing of prehistoric and historical-period materials and flotation samples
- Preparation of field documents, photographs, and material culture for curation

Field and Laboratory Technician, May 2006- September 2007, Desert Archaeology Inc., Tucson, Arizona

- Excavation, mapping, completion of field forms on a variety of prehistoric and historical-period sites including a Spanish presidio and historic train depot
- Laboratory processing of prehistoric and historical-period materials and flotation samples

Assistant Crew Chief, Summer 2005, Homolov'i Research Program, Department of Anthropology, University of Arizona, Tucson, Arizona

- Participated in excavation, mapping, and recording of prehistoric Hopi Pueblos and associated material culture
- Supervised volunteers

RELATED EXPERIENCE**Teaching Assistant, August 2011-May 2013, University of Idaho, Moscow, Idaho**

- Coordinate and maintain organization of tasks with instructor e.g. tests, papers, reading materials
- Provide students with guidance
- Grade papers and tests
- Courses include Anthropology 101, Sociology 101, Anthropology 220

VOLUNTEER POSITIONS

Treasurer, May 2016-Present, Walla Walla Chapter of the Archaeological Institute of America

Master Teacher and Washington State Coordinator, July 2015-Present, Project Archaeology

CULTURAL RESOURCE PROJECTS

- Archaeologist-Archaeological Monitor for Plymouth Island Bank Stabilization Project, Conway Construction Co., Plymouth, WA. December-January 2019
- Archaeological Monitor for Walla Walla Community College Campus Waterline Project, Burton Construction, Inc., Walla Walla, WA. September-October 2018
- Archaeologist for Mining Drill Locations and Road Access Survey, Volantis Corp., Milford, UT. June-July 2018
- Principal Investigator for Specialty Care Clinic Construction Project, U.S. Dept. VA, Walla Walla, WA. March 2016-February 2018
- Principal Investigator for Kiwanis Park Survey, College Place, WA. March-June 2016
- Principal Investigator Riverfront Park Redevelopment Project, Spokane, WA. October 2015-February 2018
- Principal Investigator for Campus-Wide Sewer and Waterline Upgrade Project, U.S. Dept. VA., Walla Walla, WA. October 2014-February 2018.
- Principal Investigator for Vinti Farm Survey, Lowden, WA. March -May 2015
- Principal Investigator for Seneca Canning Plant Mapping, Dayton, WA. Dayton Depot Historical Society. August 2015
- Principal Investigator for Archaeological Survey of 45WW310, Walla Walla, WA. City of Walla Walla Engineering Dept. November 2014
- Principal Investigator for Archaeological Survey of the City of Walla Walla Water Treatment Plant, Walla Walla, WA. HDR Engineering Inc. August 2014-May 2015.
- Principal Investigator for Cultural Resource Survey for the City of Walla Walla Storm Quality Retrofit and LID Project, Walla Walla, WA. Anderson Perry Associates, April- June 2014.
- Principal Investigator for Archaeological Monitoring of Riparian Planting for the Valle Lindo Project, College Place, Washington, November 2014- January 2015.
- Principal Investigator for Bridge to Bridge Archaeological Monitoring, Lowden, Washington, September - October 2013.
- Principal Investigator for Land Conveyance, U.S. Dept of Energy, Richland, Washington, September 2013- May 2015.
- Field Director for WSU Wine Science Center Survey, Richland, Washington for Port of Benton, August 2012.
- Artifact Analyst for Idora Mill Archaeological Survey, Wallace, Idaho, for TerraGraphics, Moscow, Idaho, September to October 2011.
- Archival researcher for HDR North-South Corridor Study Arizona, November 2010.
- Field Technician for the Northern Nevada Mines Project, for U.S. Army Corps of Engineers, Los Angeles District, Los Angeles, California, October 2010
- Artifact analyst for the historical-period materials for Yorba Slaughter Families Adobe (CA-SBR-2317H), San Bernardino County, California, for U.S. Army Corps of Engineers, Los Angeles District, Los Angeles, California, 2010

- Field technician and artifact analysis for the Reach 9 Historical-Period Site, Riverside County, California for U.S. Army Corps of Engineers, Los Angeles District, Los Angeles, California, April 2010
- Field technician and artifact analysis for subsurface exploration of the Seattle DOT Harrison Street Maintenance Yard for the SR 99 Alaskan Way Viaduct Replacement Project, King County, Washington, March 2010
- Field technician for the Nevada Mines Project, White Pines County, Nevada for U.S. Army Corps of Engineers, Los Angeles District, Los Angeles, California, May-June 2010
- Field technician for Stout Soliel Solar Survey near Gila Bend, Arizona, for LSA Associates, Pt. Richmond, California, May 2010.
- Field technician and artifact analysis for Yuma County 8th Street Realignment Data Recovery, Yuma County, Arizona, for the USDI Bureau of Reclamation, October 2009
- Artifact analyst for the historical-period post-cemetery artifact analysis and reporting for the Joint Courts Complex project area, Tucson, Arizona, for Pima County Cultural Resources and Historic Preservation Office, August 2008- March 2010
- Field and laboratory technician for the Joint Courts Complex project area, Tucson, Arizona, for Pima County Cultural Resources and Historic Preservation Office, September 2007- August 2008
- Laboratory technician for Christiansen Border Village, Douglas, Arizona for Basin Research Associates May-June 2008
- Laboratory technician for Tres Rios Phoenix, Arizona, for Basin Research Associates January-July 2008
- Laboratory technician for Fort Bliss, El Paso, Texas, for Fort Bliss January-July 2008
- Field technician for Marana 3 Wash, Marana, Arizona, September 2007
- Field technician for Mission Gardens project area, Tucson, Arizona, for City of Tucson, July-August 2007
- Field technician for Avra Valley project area, June 2007
- Laboratory and field technician for Honey Bee Village project area, Oro Valley, Arizona, May 2006- May 2007
- Laboratory technician for Triplex project area, Tucson, Arizona for City of Tucson May 2006-January 2007
- Laboratory technician for Depot Plaza project area, Tucson, Arizona, for City of Tucson, May 2006-January 2007
- Laboratory technician for SR260 Payson-to-Heber project area, Arizona, for Arizona Department of Transportation, May 2006-January 2007
- Field technician for AZ AA: 12:122 (ASM) and AZ AA: 12:311 (ASM) along Silverbell Road and South of Cortaro Road, Marana, Arizona, for Town of Marana, February 2006

HONORS AND AWARDS

2013 Winner 2013 Society for Historical Archaeology Student Paper Prize Competition and Book Prize

PUBLISHED WORK

- 2017 Morton, Ashley. Early 20th century remnants of Spokane found at Riverfront Park. *Walla Walla Union Bulletin*. October 4.
- 2016 Morton, Ashley. FWWM helps uncover a piece of Spokane's blacksmithing history. *Walla Walla Union Bulletin*. October 4.

CULTURAL RESOURCES PUBLICATIONS

- 2019 *Results of Archaeological Monitoring for the Plymouth Island Bank Stabilization Project, Benton County, Washington (Contract #W9127N18C0026)*. By Ashley M. Morton. Prepared for Conway Construction Company and U.S. Army Corps of Engineers, Portland District. Technical Report 2018-1. Ashley M. Morton, Independent Contractor.
- 2018 *Results of Archaeological Monitoring of the Walla Walla Community College Water Line Replacement Project, Walla Walla County, Washington (DAHP Project No. 2018-04-02713-SBCTC)*; By Ashley Morton. Tierra Report No. 2018-188.
- 2018 *Addendum Report-Archaeological Monitoring of the Jonathan M. Wainwright Memorial Veterans Affairs Medical Center for the Potable Water System Upgrade Project, Phase II, Walla Walla, Washington*. By Amanda Cervantes, Darby C. Stapp, and Ashley M. Morton. Prepared for Architects West, Inc. Technical Report 18-01. Fort Walla Walla Museum.
- 2017 *Addendum Report- Archaeological Survey of the Loeff Carrousel Area, Riverfront Park, Spokane, Washington*. By Ashley M. Morton. Prepared for City of Spokane Parks and Recreation Department. Technical Report 17-03. Fort Walla Walla Museum.
- 2017 *Archaeological Monitoring of the Jonathan M. Wainwright Memorial Veterans Affairs Medical Center for the Specialty Care Clinic Project, Walla Walla, Washington*. By Ashley M. Morton. Prepared for Hanke Constructors, O' Fallon, Missouri. Technical Report 17-02. Fort Walla Walla Museum.
- 2017 *Phase I and Phase II Archaeological Survey of the Loeff Carrousel Area, Riverfront Park, Washington*. By Ashley M. Morton. Prepared for City of Spokane Parks and Recreation Department. Technical Report 17-01. Fort Walla Walla Museum.
- 2016 *Phase I and Phase II Archaeological Survey of Gondola Meadow, Riverfront Park, Spokane, Washington*. By Ashley M. Morton with contributions by James Burr Harrison, III. Prepared for City of Spokane Parks and Recreation Department. Technical Report 16-03. Fort Walla Walla Museum.

- 2016 *Archaeological Survey of the City of College Place Kiwanis Park, College Place, Washington.* By Ashley M. Morton. Prepared for City of College Place, College Place, Washington. Technical Report 16-02. Fort Walla Walla Museum.
- 2016 *An Assessment of Archaeological Potential for Proposed Upgrades to Riverfront Park, Spokane, Washington.* By Ashley M. Morton with contributions by James B. Harrison. Prepared for the City of Spokane Parks and Recreation Department. Technical Report 16-01. Fort Walla Walla Museum.
- 2016 *Letter Report Don Johnson Trailer Sales Inc. Development Project-SEPA Review Question 13 Input.* By Ashley M. Morton. Prepared for HDJ Design Group. Letter on file, Fort Walla Walla Museum.
- 2016 *A Cultural Resources Survey of the Howard Street Bridge Replacement and Associated Project Components, Riverfront Park, Spokane, Washington.* By James Harrison with contributions by Ashley M. Morton. Prepared for City of Spokane. Technical Report. Spokane Tribe of Indians Preservation Program, Wellpinit, Washington.
- 2015 *Archaeological Survey of the Hanford Site Land Conveyance, Benton County, Washington (HCRC #2012-600-042).* By Ashley M. Morton, James Payne, and Gregory Civay. Prepared for Los Alamos Technical Associates, Los Alamos, New Mexico. Technical Report. Fort Walla Walla Museum.
- 2015 *Addendum Report-Archaeological Monitoring of the Jonathan M. Wainwright Memorial Veterans Affairs Medical Center for the Campus-Wide Sewer and Water Infrastructure Replacement Project, Phase I, Walla Walla, Washington.* By Ashley M. Morton. Prepared for Architects West, Inc. Technical Report 15-03. Fort Walla Walla Museum.
- 2015 *Cultural Resources Investigation at the Jonathan M. Wainwright Memorial Veterans Affairs Medical Center for the Proposed Campus-Wide Sewer and Water Infrastructure Replacement, Phase II, Walla Walla, Washington.* By Ashley M. Morton and James Payne with contributions by James Knobbs, Gregory Civay, and Scott Worman. Prepared for Architects West, Inc. Technical Report 15-02. Fort Walla Walla Museum.
- 2015 *Section 106 Archaeological Testing for the Vinti Loan Project.* By Ashley M. Morton. Prepared for Samantha and Tony Vinti, Touchet, Washington. Technical Report 15-01. Fort Walla Walla Museum.
- 2015 *Letter Report for the Archaeological Monitoring of Riparian Planting part of the Valle Lindo (Farm Labor Camp) Project.* By Ashley M. Morton. Prepared for Walla Walla County Conservation District. Letter on file, Fort Walla Walla Museum.
- 2015 *Archaeological Survey of the City of Walla Walla Mill Creek Water Treatment Plant in Support of the City of Walla Walla Slow Sand Filtration Facility Upgrade Phase 2 Design Project.* By Ashley M. Morton with contributions by Susan Johnson and James Knobbs. Prepared for

- HDR Engineering, Inc., Pasco, Washington. Technical Report 14-04. Fort Walla Walla Museum.
- 2014 *Archaeological Survey of 45WW310 for the City of Walla Walla 2015 Rose Street Transportation Benefit District Project.* By Ashley M. Morton with Contributions by James Knobbs. Prepared for the City of Walla Walla, Washington. Technical Report 14-03. Fort Walla Walla Museum.
- 2014 *Letter Report for the Archaeological Monitoring of Geotechnical Drilling Investigations for the Walla Walla Water Treatment Plant (WTP) Design Project.* By Ashley M. Morton. Prepared for HDR Engineering, Inc., Pasco, Washington. Letter on file, Fort Walla Walla Museum.
- 2014 *Cultural Resource Review Report for the City of Walla Walla Stormwater Quality and LID Retrofit Project.* By Ashley M. Morton. Prepared for Anderson Perry & Associates, Walla Walla, Washington. Technical Report 14-02. Fort Walla Walla Museum.
- 2013 *Letter Report for the Archaeological Monitoring of Ground Disturbance for the Bridge to Bridge Walla Walla Fish Habitat Improvement Project.* By Ashley M. Morton and James Payne. Prepared for Tri-State Steelheaders, Walla Walla, Washington. Letter on file, Fort Walla Walla Museum.
- 2013 *Letter Report for the Archaeological Monitoring of Ground Disturbance for the Bridge to Bridge Walla Walla Fish Habitat Improvement Project.* By Ashley M. Morton and James Payne. Prepared for Tri-State Steelheaders, Walla Walla, Washington. Letter on file, Fort Walla Walla Museum.
- 2012 *Cultural Resource Trip Report Memo for AWOS-I (Automated Weather Observing System) Prosser Airport, Prosser, WA.* By Ashley M. Morton and James Knobbs. Prepared for Port of Benton, Richland, Washington. Memo on file, Northwest Anthropology LLC.
- 2012 *Results of Archaeological Survey at George Washington Way and University Rd., WSU Wine Science Center.* By Ashley M. Morton and Darby C. Stapp. Prepared for Port of Benton. Technical Report, Northwest Anthropology LLC., Richland, Washington.
- 2011 *Results of Archaeological Data Recovery and Monitoring Investigations at the Idora Mill Site, Shoshone County, Idaho (Co-author),* By Robert Lee Sappington and Ashley M. Morton. Prepared for TerraGraphics Environmental Engineering, Inc. and U.S. Forest Service. Technical Report. Moscow, Idaho.
- 2011 *Rancho Life in Alta California: Archaeological Investigations at the Yorba and Slaughter Families Adobe, CA-SBA-2317H, San Bernardino County (Contributor).* Edited by Richard Ciolek-Torrello and Karen K. Swope. Prepared for US Army Corp of Engineers and Ecosystems Planning. Technical Report No.11-5 Statistical Research, Redlands, California.
- 2011 *A Class I Cultural Resources Inventory of the North-South Corridor Study Area, Pinal County, Arizona (Contributor)* Edited by William M. Graves. Prepared for HDR Engineering, Inc. Phoenix, Arizona and Arizona Department of Transportation Environmental Planning

- Group Phoenix, Arizona. Technical Report No.11-3. Statistical Research, Inc., Tucson, Arizona.
- 2011 *Archaeological Exploration within the Seattle DOT Harrison Street Maintenance Yard in Support of the SR 99 Alaskan Way Viaduct Replacement Project, King County, Washington (Contributor)*. Edited by Robert M. Wegener, Marlesa A. Gray, and Karen K. Swope. Prepared for the Washington State Department of Transportation, Seattle, Washington. Technical Report 10-06. Statistical Research, Inc., Tucson, Arizona.
- 2010 *Deathways and Lifeways in the American Southwest: Tucson's Historic Alameda-Stone Cemetery and The Transformation of A Remote Outpost into an Urban City Volume 1: Context and Synthesis From the Joint Courts Complex Archaeological Project, Tucson, Arizona (Contributor)*. Edited by Michael Heilen and Marlesa A. Gray. Submitted to Pima County Cultural Resources and Historic Preservation Office, Tucson, Arizona. Technical Report 10-95. Statistical Research, Inc., Tucson, Arizona.
- 2010 *Deathways and Lifeways in the American Southwest: Tucson's Historic Alameda-Stone Cemetery and The Transformation of A Remote Outpost into an Urban City Volume 2: The History, Archaeology, and Skeletal Biology of the Alameda-Stone Cemetery (Contributor)*. Edited by Michael Heilen, Joseph T. Hefner, and Mitchell A. Keur. Submitted to Pima County Cultural Resources and Historic Preservation Office, Tucson, Arizona. Technical Report 10-96. Statistical Research, Inc., Tucson, Arizona.
- 2010 *Deathways and Lifeways in the American Southwest: Tucson's Historic Alameda-Stone Cemetery and The Transformation of A Remote Outpost into an Urban City Volume 3: History and Archaeology of the Joint Courts Complex Postcemetery Period, 1875-2006 (Contributor)*. Edited by Marlesa A. Gray and Karen K. Swope. Submitted to Pima County Cultural Resources and Historic Preservation Office, Tucson, Arizona. Technical Report 10-97. Statistical Research, Inc., Tucson, Arizona.
- 2009 *Archaeological Data Recovery for the Proposed County 8th Street Realignment, Yuma County, Arizona. (Contributor)* By William A. White III, John D. Hall, Ashley M. Morton, and Janet L. Griffiths. Prepared for Bureau of Reclamation, Lower Colorado Regional Office, Boulder City, Nevada. Technical Report 09-67. Statistical Research, Inc., Tucson, Arizona.

PROFESSIONAL PRESENTATIONS

- 2019 *Homesteading Before Hanford: Survey Results of the Department of Energy (DOE-RL) Land Conveyance*. By Ashley M. Morton. Paper presented at the 2019 Northwest Anthropological Conference, Kennewick, Washington.
- 2018 *From Ugly Tracks and Trains to a World's Fair, and Today's Iconic City Park: Urban Revitalization, Archaeology, and Influencing Positive Perceptions of Industrial Heritage at Spokane's Riverfront Park*. By Ashley M. Morton. Paper presented at the Society for Historical Archaeology 2018 Conference on Historical and Underwater Archaeology, New Orleans.
- 2017 *Archaeological Investigations into Riverfront Park*. By Ashley M. Morton. Paper presented at the 2017 Northwest Anthropological Conference, Spokane, Washington.

- 2017 *Before the Riverfront Park: Historical Research into Early Modern Spokane's Development and Settlement in and around the Falls*. By Ashley M. Morton. Paper presented at the 2017 Northwest Anthropological Conference, Spokane, Washington.
- 2017 *I Forge On: Walkability and Experiencing Early 20th Century Urban Life Through Spokane's Expert Smithy*. By Hannah Ferguson and Ashley M. Morton. Poster presented at the 2017 Northwest Anthropological Conference, Spokane, Washington.
- 2016 *Feminine Secrets: Identifying and Understanding Douching Paraphernalia in the Archaeological Record*. By Ashley M. Morton. Paper presented at the Society for Historical Archaeology 2016 Conference on Historical and Underwater Archaeology, Washington D.C..
- 2016 *Mapping the Memory of Walla Walla's Chinatown, Collaboration in Digital Public Archaeology*. By Jonathan M. Haller and Ashley M. Morton. Paper presented at the 2016 Northwest Anthropological Conference, Tacoma, Washington.
- 2015 *Defining Historical Community Boundaries with GIS: Walla Walla's Chinatown*. By Jonathan M. Haller and Ashley M. Morton. Paper presented at the Society for Historical Archaeology 2015 Conference on Historical and Underwater Archaeology, Seattle, Washington.
- 2014 *Towards a Historical Archaeology of Health and Illness*. By Ashley M. Morton. Poster presented at the 2014 Northwest Anthropological Conference, Bellingham, Washington.
- 2014 *Freedom from Worry: Douching as a Material Culture Case Study in Late 19th and Early 20th Century Women's Health*. By Ashley M. Morton. Paper presented at the Society for Historical Archaeology 2014 Conference on Historical and Underwater Archaeology, Quebec City, Canada.
- 2013 *Medical Anthropological Approaches in Archaeology Examining Health and Human Responses to Illness in the Past*. By Ashley M. Morton. Paper presented at the 2013 Northwest Anthropological Conference, Portland, Oregon.
- 2013 *Germs Never Sleep! The Polluted Nature of Womanhood as Expressed by Vaginal Douching*. By Ashley M. Morton. Paper presented at the Society for Historical Archaeology 2013 Conference on Historical and Underwater Archaeology, Leicester, England.
- 2012 *Digging for Wealth, Archaeological and Historical Analysis of Elusive Inhabitants at an Early 20th Century Mill Site in Shoshone County, Idaho*. By Ashley M. Morton and Robert L. Sappington. Paper presented at the Northwest Anthropological 2012 Conference, Pendleton, Oregon.
- 2012 *Tourists' Paradise: Archaeological Investigations at a Southern California Auto Camp and Resort Dump*. By Ashley M. Morton, Statistical Research Inc. Paper presented at the Society for Historical Archaeology 2012 Conference on Historical and Underwater Archaeology, Baltimore, Maryland.

- 2011 *Danger! Abandoned Hazardous Mines in White Pine County, Nevada*. By Ashley M. Morton, Statistical Research Inc. Paper presented at the Society for Historical Archaeology 2011 Conference on Historical and Underwater Archaeology, Austin, Texas.
- 2010 *Understanding Personal Hygiene Artifacts as Indicators of Identity from the Joint Courts Complex Project Tucson, Arizona*. By Ashley M. Morton, Statistical Research Inc. Paper presented at the Society for Historical Archaeology 2010 Conference on Historical and Underwater Archaeology, Amelia Island, Florida and 2010 Great Basin Anthropological Conference, Layton, Utah.
- 2009 *A Meal in a Dish: Food Related Economics in an Early Twentieth-Century Tucson, Arizona Neighborhood*. By Ashley M. Morton and Janet L. Griffiths, Statistical Research Inc. Poster presented at the 2009 Society for American Archaeology Conference, Atlanta Georgia. Poster presented at the Society for Historical Archaeology and 2010 Conference on Historical and Underwater Archaeology, Amelia Island, Florida.

PUBLIC OUTREACH PROJECTS/ EVENTS

- 2019 (May) Remnants and Rails: Archaeology Along the South Bank of the Spokane River at Riverfront Park. Invited talk at the Archaeological Institute of America Spokane Chapter, Spokane.
- 2018 (July) Archaeology Day. Instructor. US Department of Veterans Affairs, Jonathan M. Wainwright Medical Center, Walla Walla.
- 2018 (February) Women's Health Demands Protective Cleanliness: The Archaeology of Health in the Early 20th century American West. Invited talk at the Archaeological Institute of America Walla Walla Chapter, Walla Walla.
- 2018 (January) Assisted with Walla Walla Chinatown exhibit at Fort Walla Walla Museum.
- 2017 (June) Walla Walla's Chinatown talk at Fort Walla Walla Days. Fort Walla Walla Museum.
- 2017 (May) Walla Walla's Chinatown Exhibit. Fort Walla Walla Museum.
- 2016 (December) Investigating Riverfront Park's history before the World's Fair Expo talk at Spokane Public Library.
- 2016 (October) Hands-On Archaeology Kid's Camp. Instructor/ Coordinator. Fort Walla Walla Museum.
- 2016 (July) Spoke with media interviews for archaeological survey at Riverfront Park (Gondola Meadow).
- 2016 (April) Spoke at College Place High School about being an archaeologist.
- 2016 (March) Ancient Knits talk and knit-along. Fort Walla Walla Museum.
- 2016 (February) Walla Walla's Chinatown talk at the Pioneer House Assisted Living.
- 2015 (October) Hands-On Archaeology Kid's Camp. Instructor/ Coordinator. Fort Walla Walla Museum.
- 2015 (October) Walla Walla's Chinatown Walking Tour. Tour Guide. Archaeological Institute of America Walla Walla Chapter at Fort Walla Walla Museum.
- 2015 (February) Women's Health Demands Protective Cleanliness: Examining Health and Illness in Early 20th century Tucson. Invited talk at Arizona Archaeological and Historical Society, Tucson.
- 2014 (October) Hands-On Archaeology Kid's Camp. Instructor. Fort Walla Walla Museum.

- 2014 (September) Cookie excavations. Instructor. Walla Walla Farmer's Market.
- 2014 (September) Walla Walla's Chinatown. Co-presenter. Fort Walla Walla Museum.
- 2014 (June) talk at Walla Walla High School about Archaeology as a Career.
- 2014 (June) Civil War Kid's Camp. Archaeology Station Coordinator. Fort Walla Walla Museum.
- 2013 (October) Archaeology Awareness Month Lecture Series. Coordinator and presenter. Fort Walla Walla Museum.

GRANTS

- 2012 Graduate and Professional Student Travel Award. Attend Society for Historical Archaeology meeting in Leicester, England. \$773.52.
- 2012 Student Grant Research Dissemination Award. Attend Society for Historical Archaeology meeting in Baltimore, Maryland. \$1,350.
- 2012 John Calhoun Smith Memorial Fund. Funding for thesis research. "Understanding Late 19th and Early 20th Century Health and Hygiene Practices as They Relate to Identity in the Northwest". \$6,633.53.
- 2004 Byron Cummings Memorial Scholarship. Undergraduate financial support. \$100.

COMMITTEES

- 2012-2013
Anthropology Graduate Student Committee at the University of Idaho.
- 2012-2013
Student Sub-committee of the Academic and Professional Training Committee with the Society for Historical Archaeology.
